From Wendy Holsapple, Auxiliary President...

Well we are to the end of 2009 and going into January 2010, which can be one of the coldest months of winter.

I would like to extend a sincere thank you to all the ladies who helped with the funeral luncheon of Kathy DeWitt; also for the Christmas decorating that took place right after Thanksgiving and for everything the two Auxiliaries did to make the kids Christmas Party a success and such a great time for the kids. Your hard work and dedication is appreciated very much.

If you have not paid your dues they are now past due. Please get them in asap.

Keep our service men women and families in your thoughts and prayers through the rest of 2009 and into the new year. Also families who have lost loved ones this past month and for ones who have been sick or hospitalized that they will continue to gain strength back.

NASCAR fans; races for the 2010 season will begin in about 6 weeks. Football fans; as the end of the season gets closer and closer, cheer on your favorite team or teams to see who makes the playoffs and who will go all the way to the Super Bowl. Go Vikings!!

A blessed 2010 to each and everyone and hope that you had a Merry Christmas with all the snow we received. It is good for snowmobiling, skiing and other outdoor events.
